# PRODUCT OWNER

Munich, Leipzig – 21/01/2014

## SUMMARY

On behalf of our client, a leading Internet Company in Munich, we are currently accepting resumes for the following professional opportunity:

### PRODUCT OWNER (MUNICH, LEIPZIG)

A young, innovative payment transaction provider is looking for a Product Owner to become part of their team and actively help shape the rapid growth of the company.

## COMPANY DESCRIPTION

Leading Internet Company in Munich

## YOUR RESPONSIBILITIES

- Ownership, briefing and prioritisation of projects of varying complexity and length
- Research and specify new site features and enhancements to existing features
- Liaise with designers, developers and other product owners
- Ensure optimal implementation of changes to the processes/website/features
- Understand how experiments may be improved
- Resolve reported bugs
- Understand how changes will impact other experiments
- Document the details and impact of experiments and new features

## YOUR PROFILE

- Strong commercial personality and communication skills
- Testing and international businesses experience
- At least 5 years' experience working at a web-based company
- Objective oriented, pragmatic, problem solver, as well as driven to manage projects full cycle
- Customer focused, proactive, creative, innovative and data driven!
- Able to work independently as well as part of a team
- Experience with SCRUM is an advantage
- Payment industry knowledge and experience

## OUR OFFER

- Modern working environment in Munich or Leipzig
- You will be part of a quick-working, rapidly growing team of developers where exciting projects will help you to develop both personally and professionally and you will have a real say in them
- Help shape genuine product successes
- Annual salary not disclosed
- Full time and long term contract

## CORE CONDITIONS

---

- Dutch, English and French.
- Up to 50.000€ annual gross wage long term contract
- Potential relocation support
- Much greater ability to influence big decisions at a start-up than in a traditional company
- People who thrive on driving projects and seeing them completed will love start-up work because they can see an immediate impact from their efforts
- In a start-up, you really have an opportunity to make a difference and be heard

## ADDITIONAL CONDITIONS

---

- Booming IT industry in Berlin
- Enormous flow of venture capital and cash flow overall resulting in higher payrolls when compared to other industries operating in Berlin
- Low cost of living in Berlin
- Most companies use cutting edge technologies which is a bonus for developers seeking to gain experience and boost their CV
- Highly interconnected companies which easily supports the flow of employees
- Support for the candidate also in the future if he/she wishes to switch jobs
- Countless IT related events and fairs
